Stately Facade Encloses Elegant Interior Spaces. A stately residence designed with traditional and craftsman accents, the Pacific Cove combines an elegant façade with disciplined planning to create a serene and luxurious family home. The symmetrical front porch draws visitors into the columned and beamed foyer, lined with art and painting niches, adjacent to the formal dining room with its tray ceiling and butlery. A diamond-shaped, columned vestibule accesses the work-at-home den, along with a private hall to two secondary bedrooms plus jack-and-jill bath. The center of the house is the spacious great room, enormous island kitchen and breakfast nook, opening onto the large covered BBQ porch. Another private hall leads to the laundry/mud room and 3-car garage, and finally, the crown jewel of the home – a master suite of unparalleled elegance, with a fireplace, a huge walk-in closet, deluxe five-fixture bathroom, and private covered patio with outdoor fireplace. The Pacific Cove is a truly special residence, crafted to provide timeless elegance and satisfaction for its owners.
