Country Cottage Charm Meets Rustic Mountain Lodge.

The Marymere Park is a popular compact rambler that combines a dynamic exterior facade composed from elements of cottage, country, craftsman and lodge styles with an open floor plan that fits today's informal lifestyles. Large front and rear covered porches allow for relaxed outdoor living, while the internal separation of the deluxe master suite and secondary bedrooms maximizes occupant privacy. The spacious vaulted great room, gourmet island kitchen, and multi-windowed nook combine to create a delightful family area. A flexible front room can be used as a den or formal dining. A handy feature is the double laundry access, from both the secondary bedroom hallway and the master walk-in closet.
